Purchased in 1978 as a way for Ric Forman to live out his dream of being a sole proprietor of top quality Napa Valley Cabernet, Forman Vineyards has become one of Napa Valley's legendary wines. Beginning with the 1983 vintage many collectors have slowly found their way to the base of Howell Mountain where Ric has fashioned wines that both show classic Napa Valley style and age very gracefully for decades. These examples have been stored impeccably by a private collector and sourced by the professional staff at Industry Wine Merchants in Goleta, California.

Sonoma

For years Mark Aubert forged the image, style and quality of Sonoma County wines as the winemaker at Peter Michael. He showed that there can be richness, finesse and uniqueness in Sonoma's terroir. In the late 1990's Mark and his wife Teresa started Aubert wines to be instantly accepted as the new Cult winery on the block. Since then the wines of Aubert have meet many critics only to make them fans. Not once in many vintages have the wines not shown above the crowd with their rich elegance and pristine balance.

Before Saxum there was Linne Calodo. Some may argue that Linne Calodo was the first winery in Paso Robles that started changing the region into the high profile AVA that it is today. Yes there was Justin and Tablas Creek prior, but Matt Trevison (with the help of that other guy, Justin Smith) put out what many would consider the game changer with Linne Calodo's first vintage in 1998. The style was bold, heavy and concentrated which is the leading characteristics of almost every winery after it.
