Black River Caviar is 100% natural and fresh and manufactured subject to our clients' needs and requests. This variety of caviar is made from *acipenser gueldenstaedtii* sturgeon roe, of Russian origin — the same fish used for making world-famous Russian Oscietra Caviar. With a diameter between, 2.9 – 3.2 mm, the caviar is always fresh with firm roe bursting with a clean nutty flavor and a creamy finish that only can be found in a great caviar. If you are a caviar lover, enthusiast, or connoisseur who has a passion for Russian Oscietra Caviar, then we know you'll love our curated, sustainable, world-class caviar.
